SKILLS

- **Production & Media:** 3D Environment & Animation, Virtual Production, Motion Capture, Interactive Media, Digital Storytelling.
- **Design & Post-Production:** Video Editing, Post-Production, Graphic Design, Motion Design.

CREATIVE PROGRAMS

Blender, Unreal Engine, Davinci Resolve, Resolume Arena, Procreate, Artvive

EXPERIENCE

Research Assistant — *York University, Faculty of Cinema & Media Arts, Toronto, ON* May 2025 - Feb 2026

- Developed a community-focused exhibition for the Lawrence Heights neighborhood using cutting-edge immersive media.
- Co-created advanced AR/VR experiences and an experimental dome projection film in close collaboration with University Professors and York Alumni.
- Facilitated public community workshops, introducing interactive AR tools and fostering collaborative art-making environments for participants.

Green Screen Workshop Assistant — *Cinespace Studios, Toronto, ON* Oct 2025

- Supported setup, filming, and real-time virtual production green screen workflows.
- Conceptualized the story concept, wrote the script, and created storyboards.
- Acted in scenes and collaborated with on-site editors and sound designers through post-production review.

Studio and Artist Assistant Intern — *InterAccess, Toronto, ON* May 2025 - Aug 2025

- Supported new media arts makerspace operations by developing clear equipment tutorials and assisting users with technical setup and troubleshooting.
- Provided hands-on guidance to help newcomers confidently utilize advanced creative technologies, including 3D printers and laser cutters.
- Contributed to the successful coordination and logistics of the organization's yearly art showcase event.

Lab Mentor — *Peripheral Visions Co., Toronto, ON* Feb 2025 - Apr 2025

- Taught photogrammetry and 3D model cleanup methodologies using Blender to high school students.
- Assisted students with importing and creating fully realized 3D environments using scanned models.

Facilitator and Ambassador — *City of Toronto's Cultural Events Program, Toronto, ON* Sep 2024 - Dec 2024

- **Cavalcade of Lights:** Assisted performers during a live skate party event, managed stage access, enforced safety protocols, and supported the smooth execution of public performances.
- **Nuit Blanche:** Delivered front-line patron support by answering technical and event questions, distributing maps/materials, and guiding visitors to enhance their overall experience.
